MAA Medicare
Charitable Foundation
is proud to announce the

1st

Charitable Cardiac Diagnostic Centre is

now officially open!

HIGH SUBSIDIES AVAILABLE!

03-4044 4468

2 Let us take care of your heart too!

Greetings from all of us at Medicare!

After 24 years of assisting thousands of underprivileged kidney patients with highly subsidised dialysis treatments, we have now extended our services, to assist underprivileged Malaysians with highly subsidised treatments for cardiac or heart related illnesses. We understand many Malaysians simply cannot afford the exorbitant charges of private healthcare and that the crowd at Government facilities would mean, long queues for appointments and treatment; something a seriously ill patient cannot afford. We saw the need to set up our charitable cardiac diagnostic and treatment centre and we are now ready to serve!

We firmly believe that prevention is better than cure and that is why we want every Malaysian to ensure that his/her heart is beating just fine! So come take advantage of our cardiac health screening packages. Let our renowned cardiologists put your mind at ease that you have a healthy heart.

We look forward to a satisfying and fruitful 2019. We will continue to ensure our kidney patients are well dialysed and that their medical needs are not compromised. That, our activities bring much cheer to them. That, our kids@Medicare program will ease the burden of our patients and that many more companies just like CCM Duopharma, Bata and Faber-Castell will step forward and contribute to our "back to school" assistance program.

We pray that you continue to assist us financially, so that we can extend quality care and provide highly subsidised treatments especially to the needy Malaysians, who depend on us to help them stay alive and well; something each one of us rightly deserve.

Lastly, my team and I wish to thank you for making this 1st charitable cardiac diagnostic and treatment centre possible. You have been with us the past 24 years and seen us grow to support thousands of deserving Malaysians. There's so much we would like to do and your undying support, care and encouragement, will help us achieve our mission; keeping patients alive and well!

Have a blessed and healthy 2019 and don't forget to come visit us to ensure your heart is beating perfectly !

Dato' 'Aliyah Karen and the team@Medicare.

Patients' Welfare Fund (PWF)

PWF was set up with the aim of assisting patients who could not afford the bare minimum for their treatment costs. Free treatments, medication, counseling sessions, monthly groceries and transportation are provided for the patients. 2018 saw our first cardio patient subsidised for his angiogram procedure.

7

Kids@Medicare

Thank you to **CCM Duopharma** for sponsoring the school bags and vitamins, **Bata Malaysia** for sponsoring the school shoes, and **Faber-Castell** for the stationaries at 2018 Kids@Medicare.

8 Statistics & Subsidies

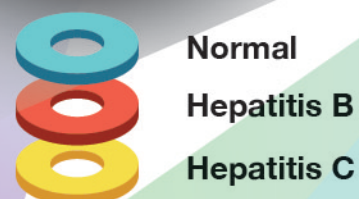

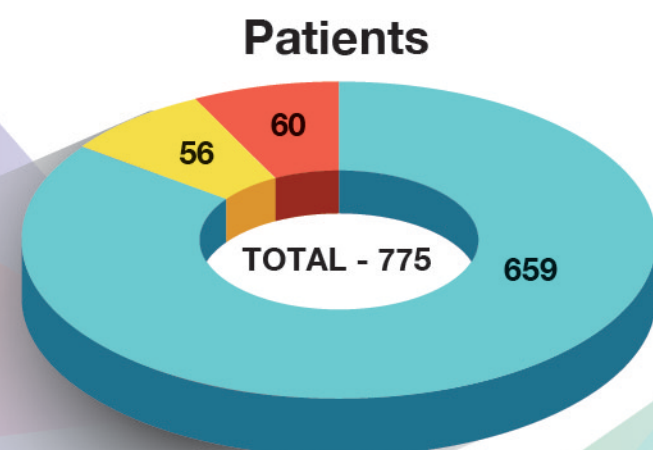

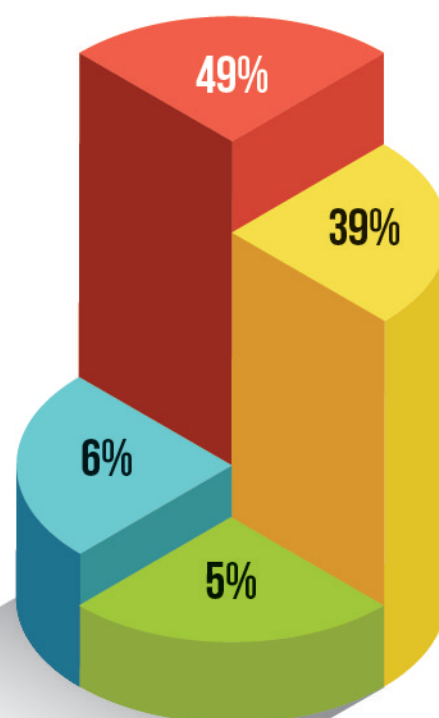

Our patients are categorized into Levels 1-5 (from the extremely poor at Level 1 and middle income earners at Level 5) to determine the assistance needed. We were able to extend RM 1,846,639 in subsidies to our needy patients.

Levels	Level 1	Level 2	Level 3	Level 4	Level 5	TOTAL
No of patients	383	191	62	129	10	775
Percentage	49%	25%	8%	17%	1%	100%
Household Income, Nett Living Expenses & Dialysis Cost	<999	1000 -1999	2000 - 2999	>3000		
Subsidies given *	1,263,999	525,166	57,474			1,846,639
Percentage of subsidies	68%	29%	3%			

Patient's Welfare Fund (for kidney patients)

PWF was established since 2009 and the committee identifies patients who are in dire need of financial assistance. Out of 775 patients, 113 have been identified by the PWF committee to be 'extremely poor', and therefore continue to receive additional assistance such as monthly groceries, free transportation, blood test cost and medication.

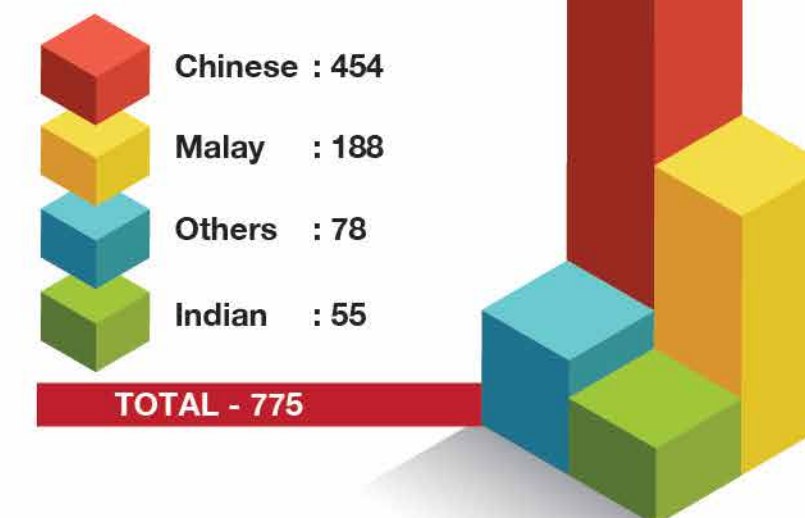

Subsidies	Amount (RM)	Percentage %
Dialysis Fee	75,863.00	49%
Epo & Medication	60,205.00	39%
Groceries & Others	9,333.00	6%
Transportation	8,440.34	5%
	153,841.34	100%

as at October 2018
