

# Go **casual** in aid of kidney patients

## Firms encouraged to join dress-down drive

**W**OMEN can kick off their heels and gentlemen can loosen their ties, and dress casually this month — all in aid of World Kidney Month.

The objective of the Dress-Down For World Kidney Month is to have fun, while raising funds and supporting the 27,000 kidney patients in the country.

Companies are encouraged to participate and allow employees to go casual for a day, a

week or even the whole month. Members of the public can also pick up a badge with every donation of RM5 in aid of MAA Medicare.

MAA Medicare is a public trust fund established in 1994 and is the second largest dialysis provider in Malaysia, caring for 810 patients in 12 centres nationwide.

For more information on the campaign, call MAA Medicare's fundraising department at 03-4044 4468.

**Thumbs up for noble cause:** Peter Mole-MAA Medicare Charity Dialysis Centre Kota Kinabalu staff with the Dress Down badge in conjunction with World Kidney Month.
