BP Health-MAA Medicare sign collaboration MoU

and MAA Medicare.

The latter is one of Malaysia's largest SIS.

Healthcare Group Managing Director Datuk Chevy Beh said the Memorandum of Understanding (MoU) signed will see both parties working together to create awareness campaigns on kidney hèalth and well-being among the public for three months.

"Through this agreement, we have customised a health screening package that focuses on renal health and is valid affordable healthcare to the masses. until July 31.

sale proceeds will be donated to the MAA paigns on health and well-being to serve Medicare Kidney Charity Fund," he said thousands of MyTeksi drivers and users.in his speech at the MoU signing here Bernama Saturday.

SHAH ALAM: The public will enjoy special Commenting further, Chevy Beh hailed discounts on general health screening MMA Medicare's efforts in providing packages, while contributing towards a affordable access to quality dialysis, fund raising campaign, following an healthcare and essential drugs at a subagreement between BP Healthcare Group sidised cost, despite over 6,000 Malaysians going on dialysis treatment each year.

Meanwhile, MAA Medicare board of non-governmental organisations in dialy- trustee member Tan Sri Ibrahim Menudin said more people should come forward to

> get full health screening as they enjoy tax relief of up to RM500 for basic healthcare services.

BP Healthcare Group, the national industry leader in primary healthcare, had on April 26 signed a MoU with MyTeksi, the largest automated smart-

phone taxi booking platform to bring

The MoU witnessed both parties work-"Under the package, 10 per cent of the ing together to create awareness cam-
