## DRIVING CARE FORWARD: NEW TRANSPORT SERVICE FOR DIALYSIS PATIENTS

Maaedicare Charitable Foundation is honored to introduce a groundbreaking initiative aimed at enhancing the lives of our dialysis patients—2 dedicated vehicles committed to providing dependable and comfortable transportation between patients' homes and our treatment centres at Jalan Ipoh and Cheras, Kuala Lumpur.

This initiative saves patients' valuable time for rest and recovery while reducing the stress of arranging transport. Through this service, we fulfill our commitment to remove barriers to care, making every mile meaningful in the journey to better health.

Recognizing that timely access to dialysis is critical to patient health, Maaedicare has invested thoughtfully in these vehicles to eliminate transportation delays and logistical burdens. By providing reliable door-to-door service, we ensure patients arrive promptly for their treatments, safeguarding against missed or late sessions that could compromise their well-being.

## MAKING A DIFFERENCE THROUGH ESSENTIAL SCREENINGS

Maaedicare Charitable Foundation's team demonstrated remarkable dedication by delivering **five** vital health screenings to the community, particularly targeting those who face the greatest barriers in accessing care. Our passionate and skilled healthcare professionals committed countless hours to ensure these screenings were thorough, accessible, and compassionate. Reaching **450 individuals**, this initiative played a crucial role in early detection of potential health concerns, enabling people to make informed, proactive decisions about their well-being. By catching issues early, we not only improve individual health outcomes but also help reduce the longer-term burden on the healthcare system.

**FREE SCREENINGS FOR ALL**

This outreach embodies Maaedicare's heartfelt commitment to serve with compassion and equity—making quality healthcare accessible to all, regardless of background or circumstance. It's more than just screenings: it's about empowering lives, raising health awareness, and building a stronger, healthier community from the ground up.

As we look ahead, Maaedicare remains steadfast in its mission to break down healthcare barriers and offer meaningful support to every person we serve. Together, with each screening and every individual reached, we are shaping a brighter, healthier future—one step, one person at a time.

## PARTNERING FOR HEALTH: VACCINATING 35 BRIGHT FUTURES AT BUDIMAS ORION HOME!

On April 19th, 2025, Maaedicare's passionate team joined hands with **Budimas Orion Home** to deliver life-saving healthcare and vaccinations to **35 amazing children** — and what an inspiring day it was!

This partnership is a shining example of our shared mission: protecting the health and hopes of underprivileged children who deserve every chance to thrive.

Nestled in Senawang, Negeri Sembilan, Budimas Orion Home is no ordinary place. This four-storey, 18,500-square-foot haven provides a safe, nurturing space for up to 150 disadvantaged and orphaned children.

Equipped with classrooms, a computer lab, dormitories, sick bays, and even an outdoor playfield, the home supports the kids in every way — from education to daily care to life skills. It's all made possible by the Budimas Charitable Foundation, which champions over 2,000 children in more than 50 homes nationwide.

By vaccinating these young stars, we're not just preventing illness — we're building a healthier tomorrow filled with hope, resilience, and endless opportunities. This incredible partnership shows how teamwork and compassion can create real, lasting change.

Together, step by step, shot by shot, we're shaping a safer, stronger community — one child at a time.

## STRENGTHENING BONDS FOR GREATER IMPACT: OUR COLLABORATIVE JOURNEY

Maaedicare Charitable Foundation is pleased to share that meaningful partnerships had been progressing as we collaborated with passionate organizations dedicated to community well-being. They include **Perbadanan Kemajuan Kraftangan Malaysia**, which celebrated Malaysia's rich cultural heritage through the promotion of local handicrafts while backing our cause. We were also honored to welcome the **Allianz Malaysia** team for a site visit, during which we discussed potential collaborations to create a positive impact together. Additionally, we participated in the **#APHMConference** at the **KL Convention Centre**, where visitors came to our booth for free health screenings and to learn how they could contribute to a healthier community. We deeply appreciate all our partners' commitment to making a difference and look forward to further advancing these fruitful collaborations with gratitude and enthusiasm.

## HEARTFELT MOMENTS AND CELEBRATIONS AT MAAEDICARE CHARITY DIALYSIS CENTRES

Recently, our dialysis centres came alive with meaningful celebrations. At **Pusat Dialisis Amal Maaedicare, Jalan Ipoh**, we marked a special birthday gathering for our patients, wishing them health and happiness. During Hari Raya, **our centres** were filled with warmth and community spirit. On Mother's Day, patient-mothers at **Pusat Dialisis Amal Maaedicare Seberang Perai** received thoughtful gifts honoring their strength and love. At **Pusat Dialisis Amal Mentakab**, we held a mini celebration for *International Nurses Day*, expressing gratitude to the dedicated nurses who care for our patients daily. These moments reflect Maaedicare's commitment to nurturing both health and community.

**HEALING AND HOPE: A NEW CHAPTER FOR MS. ROSNAH** ❤️

For nearly 12 years, Ms. Rosnah bt Osman has faced dialysis with courage at the **JB2 Maaedicare Charity Dialysis Centre**. This year, she received a life-changing kidney transplant through a Government program, giving her renewed health and freedom.

To support her recovery, the **JB Lions Renal Care Foundation** generously donated RM5,000—an inspiring act of community care and compassion.

Ms. Rosnah's journey reminds us that with hope and support, healing is possible. We warmly wish her the best on her recovery journey and are honored to support courageous patients with compassionate care every step of the way.

Her strength inspires us to provide steadfast dedication and hope.

## FIRE DRILL IN ACTION AT MAAEDICARE!

We at Maaedicare Charitable Foundation's Secretariat Office in Kuala Lumpur teamed up with **Balai Bomba dan Penyelamat Sentul** for a briefing and an interactive hands-on fire drill, part of our ongoing commitment to strengthening emergency preparedness.

This important session aimed to enhance safety not just for our team, but for every patient we care for. It featured dynamic rescue simulations, practical safety tips, and emphasized teamwork and quick thinking throughout.

A big thank you to **Balai Bomba Sentul** for their expert guidance and support in helping us build a safer, stronger community together!
